* Percentage change in forest cover is of the last two assessments for the States of Bihar, Chhattisgarh, Jharkhand, Madhya Pradesh, Uttaranchal and Uttar Pradesh due to re-organisation.

Phasing out of waste incineration

1087. SHRI P.K. MAHESHWARI: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether a meeting of the Sixth Inter Governmental negotiating Committee on the Stockholm Convention on Persistent Organic Pollutants was held in Geneva recently;

(b) if so, the details of issues discussed and the outcome thereof;

(c) whether the environmental organisations had protested against the waste incineration systems, urged the respective Governments to put a stop to this practice and move towards sustainable waste management systems;

(d) if so, the reaction of Government in this matter; and

(e) the steps taken to phase out all forms of waste incineration and promote clean production, zero waste and sustainable discard management systems?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI T.R. BAALU): (a) and (b)The Sixth Intergovernmental Negotiating Committee (INC_6) on the Stockholm Convention on Persistent Organic Pollutants (POPs) was held in Geneva during 17-21 June, 2002. Various issues discussed in the meeting include (i) measures to reduce or eliminate releases of POPs from intentional production and use, (ii) review process for entries in the Register of specific exemptions, (iii) measures to reduce or eliminate releases of POPs from unintentional production, stockpiles, municipal and hazardous wastes, (iv) Role of Global Enrironment Facility on the interim financial mechanism.

(c) Various environmental organisations have voiced concern against waste incineration systems in the context of release of by-products POPs. During the INC-6 meeting, the organisations urged Governments to involve them in enabling activities and the preparation and implementation of National Implementation Plans under the Stockholm Convention.

(d) and (e) The Government has taken several initiatives towards sustainable waste management systems. These include:

(i) Promotion of environmentally sound technologies for cleaner production and waste minimization.

(ii) Emphasis on recycling and reuse of waste.

(iii) Fiscal incentives for adopting clean production/waste minimisation.

(iv) Strengthening of legislative framework of sustainable management of wastes.

(v) Waste minimisation demonstration project under UNIDO assistance for reducing waste in small scale industries.

Protected ridges in Delhi

1088. MISS MABEL REBELLO:
SHRI P. PRABHAKAR REDDY:

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) the details regarding the area and location of protected ridges in Delhi;

(b) whether Government have any plan to include more reserved forests in and around Delhi; and

(c) if so, the details thereof?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI T.R. BAALU): (a) The details of the area and location of protected ridges in Delhi are furnished in the Statement enclosed (See below).

(b) No, Sir.

(c) Does not arise.

Statement
